HTLS...where the heart of education is the education of the heart!

The reason we exist: God created us to love Him and to let His love shine through us to a needy world! Therefore, "The Mission of Holy Trinity Lutheran School is to reach out to families and children with the Good News of Jesus, through a Christ-centered, loving and forgiving environment of academic excellence."

From the Director

The New Year will start out very busy for us at HTLS with a number of important projects that are taking place. This is the year for our re-accreditation so there are many committees and meetings taking place to pull together information for a site-visit team that will be here in early March. It is also time to put together the budget proposal for the 2018-2019 academic year and we are in the middle of working with first grade teacher, Mrs. Jones, on completing her Kentucky Teacher Internship Program. When schedules get so full it becomes easy to forget out what is truly important. May God keep us focused on our mission here at HTLS to continue to reach out to children and families with the Good News of the Gospel.

Bill Hiskey, School Director
