HTLS...where the heart of education is the education of the heart!

The reason we exist: God created us to love Him and to let His love shine through us to a needy world! Therefore, "The Mission of Holy Trinity Lutheran School is to reach out to families and children with the Good News of Jesus, through a Christ-centered, loving and forgiving environment of academic excellence."

From the Director

I hope everyone was able to get out and enjoy the snow during our snow days although the cold temperatures made it difficult several of those days. The school board will meet in February to discuss the plan for making up those days. I will be sure to update everyone once that decision is made. I am also waiting to see schedules for next year from city and county so that we can put ours together as well.

Come support Cole Roberson as he represents HTLS at the Warren County Spelling Bee on Tuesday, Jan. 23 at 6pm. It is here at Holy Trinity in our sanctuary!

Bill Hiskey, School Director

From the Office

If you would like a statement of payments to HTLS for childcare in 2017 for your tax filing purposes, please contact the office.

These will be sent in your child's backpack upon receiving your request.

Thank you for keeping your lunch accounts current!

Next Week on the calendar:

Thursday, 1/25: Basketball Club

NOTICE: Calendar Updates & Changes:

PTO Meeting is rescheduled for Tuesday, 1/30
K-6 100th Day of School

(dress like your 100 years old) is Thursday, 2/1
Marco's Night is also Thursday, 2/1

There is an updated event calendar attached separately to this email.

Reminder that HTLS follows BG City Schools with regard to inclement weather closings. Hopefully we won't have any more snow days, but please let us know if you DID NOT receive the Remind System texts this week.

Also, please be sure to send appropriate clothing to school. Students will go out for fresh air as long as the temperature is at least 32 degrees.

Library News: I am blown away by the reading that was taking place in our school and at home during the 2nd quarter. Our students gained 1,547 AR points bringing our school total for the year to nearly 3,000 points! We will soon set the goal for the year, and if things proceed as they are, last year's goal of 4,200 points will be so easy for our children to surpass. Great job, HTLS!
