HTLS...where the heart of education is the education of the heart!

The reason we exist: God created us to love Him and to let His love shine through us to a needy world! Therefore, "The Mission of Holy Trinity Lutheran School is to reach out to families and children with the Good News of Jesus, through a Christ-centered, loving and forgiving environment of academic excellence."

From the Director

Thank you to everyone who came and participated in our PTO Fall Festival last Saturday. Keep reading to see how much we were able to raise for the school this year. A huge THANK YOU to Andrea Unick for organizing the event this year. Tomorrow is our Trunk-or-Treat event. This is one of our biggest outreach events to our community and it is overwhelming to see how many children and families attend. We would love to see you there! Stay warm this weekend!
