HTLS...where the heart of education is the education of the heart!

The reason we exist: God created us to love Him and to let His love shine through us to a needy world! Therefore, "The Mission of Holy Trinity Lutheran School is to reach out to families and children with the Good News of Jesus, through a Christ-centered, loving and forgiving environment of academic excellence."

From the Director

During our morning assembly announcements I told the students that October would go fast and here we are already in November. The stores are changing out their Halloween candy and bringing in the Christmas decorations. Next week is another busy week with Donuts with Dads and Boot Camp. Thank you to everyone who participated in our Trunk or Treat event last weekend. It was cold but it was fun to see all of the costumes. Don't forget to set your clocks back this weekend! I think everyone could use another hour of sleep!

Bill Hiskey, School Director
