What we are learning this week:

Reading

This week we are reading a story called "Dear Juno". We will be learning about long o, drawing conclusions and visualizing.

writing

We will spend this week learning about writing journal entries. Journal entries allow students to express, discover, record, develop and reflect on ideas.

We will work on developing, estimating, finding and checking difference of two-digit numbers with and without regrouping. Subtracting money amounts is also something we will be developing during this unit. Test on Friday!!!

Social studies/Science

We will continue to work on our Pocket History book. We will look at the town crier and the tithing man.

Religion

We will continue to work on our chapel message. 2nd grade will present our message on Nov. 15 @ 8:30.
