HTLS...where the heart of education is the education of the heart!

*The reason we exist: God created us to love Him and to let His love shine through us to a needy world! Therefore, "The Mission of Holy Trinity Lutheran School is to reach out to families and children with the Good News of Jesus, through a Christ-centered, loving and forgiving environment of academic excellence.*

From the Director:

Thank you to all of our families who participated in our Open House on Thursday evening and a special word of thanks to our Admissions Director, Nicole Tubandt, for coordinating the event. She did a great job. Priority enrollment for our current students ended this week which means enrollment is now on a first-come, first-served basis. We expect several classrooms to fill quickly and we are taking more calls this year with greater interest than we have seen in the last several years. We would hate to turn away any of our current families because of space limitations.

We have ended our 3<sup>rd</sup> quarter and will now begin the home stretch. Remember next week the students will only be in school from Monday through Wednesday and have Thursday and Friday off while the staff does professional development. Thank you to all of our great families that support our teachers and staff with your prayers, love, gifts, and encouragement. We are thankful for the blessings of our families!

Blessings,  
Bill Hiskey

## FROM THE OFFICE:

Enrollment is now open to the public! Invite your friends to come for a tour! There are a handful of preschool spots available and there's room to grow in elementary grades!

## Tuition Assistance Information:

Confidential Financial Analysis is the 3<sup>rd</sup> party company HTLS uses when determining a family's eligibility for financial assistance. If you wish to apply for scholarship, you must complete the application at [www.cfslogin.com](http://www.cfslogin.com) by April 13.

**HTLS school code is 31001.**

Please complete this application as soon as possible so, if qualified, we can provide your family with as much assistance as possible. Funds are offered on a first come, first served basis. If you would like information on tuition assistance for your preschooler, have questions about CFA, or would prefer to submit a paper copy, please contact the office.

**ART NEWS:** We are SO EXCITED about the Square One Art projects! Mrs. Willis did an amazing job helping the kids create beautiful pieces. Information on how to order items will be sent in the next few weeks. These will make WONDERFUL gifts just in time for Mother's and Father's Day! Keep your eyes peeled, you won't want to miss out!

**LOST SOMETHING?** Stop in to check the lost and found! Items remaining before spring break will be put in the HTLC Youth yard sale on 4/8!

**Green Registration forms for Mucky Madness were sent home last week. Please return those as soon as possible so we can get to work on planning and ordering shirts and supplies!**

## Are You a Thrivent Member?

Thrivent is a Christian financial service provider offering many products for insurance, investments and others. Members of Thrivent also receive an annual benefit from the company called an Action Team. This is a way to receive "seed money" for use in a service project or fundraiser for a cause that is important to you. Several school staff, parents, and church members use these Action Teams to benefit HTLS each year. If you want to learn more, please contact the office!
