HTLS...where the heart of education is the education of the heart!

The reason we exist: God created us to love Him and to let His love shine through us to a needy world! Therefore, "The Mission of Holy Trinity Lutheran School is to reach out to families and children with the Good News of Jesus, through a Christ-centered, loving and forgiving environment of academic excellence.

From the Director:

What an awesome job our P-4 class did this week with presenting the chapel message about Jesus' miracles reminding us of God's love and power. I was impressed from the invocation to the message to the songs...and we enjoyed being led in prayer by them as well. Our school has had a tradition of singing the same opening and closing song for each chapel service for years and I am proud to carry on that tradition. We begin with "The Light of Christ" which is a song written by a former DCE of the church, and end with "The Gift of God" that has hand motions. Each time the children sing I know God is smiling down on his precious miracles who are singing praise to Him. May we continue to keep Christ first in all things as we train up these children.

Blessings,
Bill Hiskey
