HTLS...where the heart of education is the education of the heart!

The reason we exist: God created us to love Him and to let His love shine through us to a needy world! Therefore, "The Mission of Holy Trinity Lutheran School is to reach out to families and children with the Good News of Jesus, through a Christ-centered, loving and forgiving environment of academic excellence

From the Director:

Servant leadership is a value at HTLS that has long been a tradition. We strive to model this as a staff to our students and we try to incorporate opportunities to be engaged in servant projects throughout the year. Our 5th and 6th graders, for example, will help clean, straighten, and organize the sanctuary each Wednesday both before and after chapel services. They also clean the floors and tables each day after the other students have eaten lunch. All of our elementary age children have participated in community service events with Pastor Toopes as part of their religion curriculum. They have helped at soup kitchens, donated supplies to the Humane Society, and helped with chores around the kennels. Our students don't get special awards or badges or trophies for this service...they simply serve. I am proud of them and I pray that they would continue to be servant leaders as they move on from HTLS. We love because Christ first loved us, and we serve because Christ first served us. God help us to that end.

In His Service,
Bill Hiskey

This year's **Get Movin' Crew** online pledge drive has begun! Last year, we used this program to earn over \$8,000 for our Technology and Playground Funds. This year, funds raised will be fully designated to updating our playground area and equipment. **Check your child's backpack for instructions on how to get enrolled. The last day to receive online donations is Friday, May 5th, so sign up today!** There are rewards for student participation with GMC and it is extremely user friendly. You can share your child's page through email or Facebook to invite friends and family to support individual, classroom and school goals. Thanks in advance for your participation. Our PTO raises money to provide scholarship assistance to those who need it and to keep our learning environment updated.
