HTLS...where the heart of education is the education of the heart!

*The reason we exist: God created us to love Him and to let His love shine through us to a needy world! Therefore, "The Mission of Holy Trinity Lutheran School is to reach out to families and children with the Good News of Jesus, through a Christ-centered, loving and forgiving environment of academic excellence."*

I want to say thank you to everyone who ordered mums and to our 5/6 graders for helping unload all of the trucks. This weekend we are hopeful to see progress being made on our playground. Two shade units are to be installed and then our play equipment is to be delivered the first week in October. Thank you to all of our families for your support of our school in helping us carry out our mission.

Bill Hiskey, School Director

**Ministry Opportunity:**

Sunni Wood is the HTLS Preschool 3 Teacher, but she has been a Preschool Aide at HTLS for the last few years. She has been a true asset to our School and is one of the sweetest people you will ever meet. Sunni & her family (husband, Brett, and children: Madelyn & Dylan) have a really bad termite infestation at their home. They have been working on it as much as possible, but the task is quite overwhelming. Pastor Toopes is asking for people to help them get back into their home.

A work day has been set for Saturday, September 30. We will meet at church at 8:00 a.m. and then travel to their home. The main jobs will be to lay a subfloor and to frame up walls (kind of like Habitat for Humanity projects). So we need PEOPLE (men & women) and TOOLS (hammers, power tools, etc.)

If you have any questions, please contact Pastor Toopes at [270-843-9595](tel:270-843-9595)
