Scientist of the Week begins! Scientist Meador starts us off

Our verse: "Come follow Me, Jesus said." Matthew 4:19

Coming Up:

Twentieth Week of School we will learn:

Religion: The Miraculous Catch of Fish

Literacy: Focus on //, cause and effect word family: -ill

Math: half and whole, addition facts to 6 with increased speed

Theme: The Scientific Process, continued

Social Skills: making eye contact, using names

Book of the Week: My Lucky Day

Highlights of the Week:

- Learning the names of the 12 disciples and how they lived for Jesus
- Counting by 10's and 5's
- Talking about time with the book, *Bunny Day*
- Telling the story of "The Mitten"
- Making matching mittens and writing sentences to describe them
- Learning sight words *are, that, do*
- Adding the -am word family
- Learning about the scientific process with experiments on surface tension and transpiration in celery
- Watching Scientist Meador make a volcano
- Attending the HTLS spelling bee

Important:

1. Oscar is making his 2nd visit home. This time your child should draw a picture and write about it. See the note in the front of Oscar's Journal for more information.
2. Accelerated Reading books are due back by Thurs. Jan. 18. Please keep them in the bag. They must be back at school in order for your child to take the test.
3. Return January reading records whenever they are finished. Read together as much as you can at home.
4. Kindergarten will be leading chapel on February 21. Our theme will be Jesus, the Good Shepherd.
5. Valentine's Day party will be scheduled soon. I will let you know.
