Jan. 12, 2018

January reading records are coming back. Keep reading!

Our verse: "Come follow Me, Jesus said." Matthew 4:19

Highlights of this Short Week:

- Writing about snow fun in our journals
- Learning to use a writing guide
- Taking our first AR test (Fri.)
- Perfecting our center tickets which include the date and our first and last name written beautifully
- Learning about Jesus and the miraculous catch of fish
- Singing our Good Shepherd songs which we will use for chapel
- Watching Scientist Wheatley's experiment entitled lava lamp.

Coming Up:

Twenty-first Week of School we will learn:

Religion: Jesus blesses the children

Literacy: Focus on // and cause and effect word families: -ill and -ick

Math: half and whole, addition facts to 6 with increased speed

Theme: The Scientific Process, continued

Social Skills: making eye contact, using names continued

Book of the Week: My Lucky Day, and One Little Mouse

Important:

1. 2nd Accelerated Reader book will come home on Friday. There will also be a printout in your child's folder that shows how they did. Books are always due back at school on Thursday each week.
4. Kindergarten will be leading chapel on February 21. Our theme will be Jesus, the Good Shepherd.
5. Valentine's Day party will be Wed. Feb. 14 at 2:00 pm. We had great parent help for our last party. I would welcome parent volunteers to help again! Let me know if you can help.
6. 100's Day is big in Kindergarten. It will be Feb. 1 unless we get more snow days. Start planning now how you can dress like you are 100 years old.

Scientist Wheatley shows us a lava lamp using baking soda, oil and vinegar.
