Mrs. Marty King mking@htlc-bg.org

Sept. 29, 2017

When your child brings home this 5 bead bracelet, it means they know their birthday phone, address, days and months.

Our verse: "Remember the wonders God has done. 1 Chronicles 16:12

Highlights of the Week:

- Learning about God's people entering the Promised Land
- Practicing with our season's clock
- Earning beads on our bracelets for knowing months, days, phone no. birthday and address
- Practicing with 20 frames
- Adding the -ip word family to our word family board
- Using a rubber band to "stretch" out the sounds in words
- Learning about armadillos and burrows from our book of the week
- Listening for /s/ in a word at the beginning or end
- Using the "vowel bat" song to practice short vowel sounds
- Monitoring basic skills to have information to share at parent conferences

Coming Up:

Ninth Week of School we will learn:

Religion: Gideon

Literacy: Focus on /p/, sight words *we, my, like*, skills: main idea, word family: og

Math: Identifying and writing numbers 1-20, counting pennies, telling time to the hour

Theme: Apple Orchard and Columbus

Social Skills: Waiting for a speaker to finish before talking

Book of the Week: *Animals and their Homes*, and various books about fall

Important:

1. We have not earned our letter party yet. If your child still has letters to learn, keep practicing. We are getting closer every day. It is important that all students know the names of all the letters. We will check sounds after mastering the letter names.
2. Sign ups for parent conferences are going well. If you have to change a time, you may do so on Bloomz.
3. We are getting excited about our field trip. I will send out car assignments later next week. Remember, lunches in bags or sacks and drop off car seats Wed. morning if your child is riding with someone else.

HAVE A SAFE AND RELAXING FALL BREAK!

HAPPY BIRTHDAY WILL! (Sept. 29)
