"The mission of Holy Trinity Lutheran School is to reach out to families and children with the Good News of Jesus through a Christ-centered, loving, and forgiving environment of academic excellence."

Our Activities!

- ★ Daily reading of our Bible story from Psalm 150
- ★ Our letter focus will be the letter Bb. We will trace the letter Bb and list words that begin with the /b/ sound.
- ★ The children will be shown an image of a butterfly that has several squares and rectangles on its wings. The children will be asked to color the squares green, and color the rectangles yellow.
- ★ We will focus on the number 8. The students will be asked to count 8 butterflies.
- ★ We will review the concept of small and large.
- ★ The students will construct a boat by arranging two triangles and two rectangles.

Exploring God's Creation!

- ★ Social Studies: We will be making bird feeders by using pretzels, peanut butter, and bird seed.
- ★ Shapes: The students will make their own collages using squares and rectangles.
- ★ Art: Using washable paint and their thumbs, the children will make butterflies using their thumbprints.
- ★ Health and Safety: We will discuss signs that indicate dangerous items or situations. A few signs we will discuss are “poison”, “do not enter”, and “flammable”. Please review these signs at home!
- ★ Physical Education: The children will practice hopping from a bottom step to the floor while I hold their hands. This activity will help develop gross motor skills.
