Our Activities

- Reading our Bible story from Genesis 6:1-9:17.
- Tracing the word “Pig” with our pointer finger.
- Repeating the word “Pig” emphasizing the /p/ sound at the beginning of the word.
- Matching pigs which are the same.
- Counting pigs in a row and identifying the group that has three pigs.
- Matching shapes which are the same.
- Identifying small and large objects within a given group.
- Playing an animal memory card game.
- Daily review of the Bible story.

Exploring God's Creation

- Science and Nature: We will take a nature walk and explore different textures found within God's creation.
- Language Arts: The children will be allowed to bring in a SMALL STUFFED toy item. The item must be small enough to fit inside their backpack! We will take time to discuss these special items as a class.
- Phonics: We will repeat the word "pig" loudly and softly always emphasizing the beginning /p/ sound. Together we will make a list of other words that begin with the /p/ sound.
- Shapes: We will discuss the triangle. As a class we will count the sides of the triangle.
- Colors: We will play "I Spy" and search for red items throughout the school.
- Arts and Crafts: The children will paint rainbows with watercolors. This will remind the students of God's promise to never flood the earth again.
- Creative Cooking: The children will enjoy animal crackers. Each child will be given two of every type of animal found within the box to also remind them of our Bible story.
