"The mission of Holy Trinity Lutheran School is to reach out to families and children with the Good News of Jesus through a Christ-centered, loving and forgiving environment of academic excellence."

# Our Activities

- Reading our Bible story from Genesis 11:1-9.
- Tracing the word “duck” using our pointer finger.
- Distinguishing between different colors.
- Tracing the number 1 and the word “one” using our pointer finger.
- Counting the number of ducks in a given group.
- Reviewing number skills, 1-3.
- Identifying members of a small family.
- Arranging squares from smallest to largest.
- Daily review of the Bible Story.
- We also welcomed a new student to our class! Henry, we are glad you are here!

# Exploring God's Creation

- Language Arts: We will learn the song, "Old MacDonald Had a Farm."
- Phonics: Students will repeat the word "duck" emphasizing the beginning /d/ sound. We will list other words that begin with the /d/ sound.
- Math: During playtime the students will be asked to locate the number 1 within the classroom.
- Shapes: Students will be given two circular shapes of different size. Students will be asked to identify which circle is larger. We will discuss other items that have a circular shape.
- Colors: The children will use the color blue to create a beautiful picture of the sky.
- Matching: The students will practice screwing lids on and off various size jars.
- Health and Safety: We will discuss the importance of taking care of our teeth.
- Physical Education: We will practice walking up stairs as if we are climbing a tall tower. We will begin by walking one leg at a time. Students will then try hopping up the steps, one at a time, with teacher assistance!
