Classroom News

This week was exciting for our class as they went “on stage” (their words) to do the closing chapel song. We were so proud of each and every one of them. You can find it on the HTLS Facebook page.

This week we learned about God’s constant care and protection. God sent His angels to watch over Jacob when he was afraid. We made pretzel and marshmallow ladders in class to go along with our story.

The letter D was introduced. The children came up with a lot of words for this letter.

We began our unit on Apples. Our journal story was: If I found a worm in my apple, I would...

To go along with this, they used their fine motor skills to cut out an apple with leaves and added a worm coming out of it.
