This class traveled around the world in 5 days, visiting each continent and ending back in the United States on Friday. It was fun learning about the different cultures. We may look different on the outside but inside we are all the same. We are all God’s children. Friday, we had an International Feast Day. Games from around the world were played and we had a lunch consisting of foods from countries our families are from. During chapel this week, the children learned about Ash Wednesday and the beginning of the Lent season. Our Bible story this week was about The Widow’s Offering. Even though, the widow was the one who could have used some help, she did not think about herself but gave all she could to help others. This week we welcome a new friend in our class: Macy. We are glad you have joined us. March definitely came in like a Lion this year. That was some storm we had this week. Happy Birthday to Maggie on Saturday. “5” years old!!
