D IS FOR DREAM

Our Bible story this week was about Jacob and his dream. Jacob had a dream that he saw angels walking up and down a stairway to Heaven with God at the top. When Jacob woke up, he was no longer scared; he knew God forgave him for his sins and loved him.

Our letter this week was Dd. We colored a Dd picture that turned into a dolphin, traced and practiced writing Dd, created a Dd book, and created a Dinosaur out of the letter D! We also practiced writing our first and last names the best we could! (These are done each month to see progress.)

We have been busy in the classroom working on our square art projects. We can't wait for you to see the finished product!

"Your love, Lord, reaches reaches to the heavens, your faithfulness to the skies."
Psalm 36:5
