A NOTE FROM THE TEACHER

Have a safe and fun Fall Break!

Don't forget, there is **no** child care provided for Fall Break.

Thank you SO much to everyone who brought in items for our Fall Festival "Wrap it up!" basket! It is so full! It's going to be a great basket!

Make sure that if you want to make a conference, I sent out an email about conference times. Also remember, these are not mandatory at all. If you don't feel like we need to meet, I will just send home their progress report for you to sign.

The parking lot is a **ONE WAY ONLY**. You must enter from the Nashville Road side and exit through the Ashmoor Ave side. **Do not enter through the Ashmoor Ave side.**

Miss Kim is out on the Monday we get back from Fall Break!

E IS FOR ELI

This week was very busy getting ready for Fall Break! We colored capital E's and lowercase e's to create an earth, we came up with a bunch of E words, made an egg out of a lowercase e, and practiced writing our Ee's.

Best of all we learned about Samuel, son of Hannah. He had wonderful listening ears when God was talking to him. He grew up to be a faithful servant to God.
