

March

27-31

8 OUT OF 40

This week we began learning 8 of our 40 sight words. Away, find, funny, little, one, two, three, and where. We will continue going over these after we return from Spring Break. Practice these at home! If you would like to see what 40 words that we are learning, look up the Pre-K Dolch sight words list.

We also talked about Jesus dying on the cross for our sins. We will continue to talk about this as Easter gets closer.

We finished graphing our lion and lamb days. We found that there were a total of 23 lambs and 8 lions. March definitely came in like a lion and went out like a lamb! No snow at all!

When we return after Spring Break, we will begin planting flowers and cucumbers in our room! We will study the life cycle of these two plants!
