## HAPPY EASTER!

NEW BEGINNINGS AND NEW  
EVERLASTING HAPPINESS; LET THEM  
BE YOURS IN YOUR LIFE.

We had such a busy 4-day week! This week we reviewed the story of Easter. Have your child tell you the story!

We learned eight new sight words! The kiddos are doing wonderfully learning how to read!

We talked about planting new life and have begun to grow our own classroom flowers and cucumbers! We cannot wait to see how they grow over the next month!

Wednesday, Mrs. Gretchen's class invited us over to their classroom to perform a peep bunny science experiment. We made predictions of what would happen when we put a peep bunny in five different liquids.

The kiddos were surprised with an Easter egg hunt outside on the playground later that day. They were so excited!

To end our week, we did an Easter egg dot-to-dot and sorted/graphed jelly beans. What a fun week!

## A NOTE FROM THE TEACHER

An email was sent home Wednesday morning about summer clothing. Please send these in by Monday, April 17. Winter clothing will be sent home when we receive your child's summer clothing.

Don't forget to check our class calendar for your child's show and tell day. The theme is: something to do with Spring.

Mark your calendar for May 18. HTLS P4 Graduation will be that night in the Sanctuary.
