

Kindergarten NEWS

This quick week was a nice way to transition back into the swing of things. It has been exciting to start reading words on our own. The library and AR are so exciting. Keep up your child's love and excitement of reading by reading with them. Ms. Andrews has done a wonderful job with them.

Please note that Kindergarten is starting a gymnastics unit in PE. If girls would like to wear a skirt, make sure that there are leggings underneath.

On Thursday, we will be celebrating our 100th day of school. To commemorate this occasion, we are going to collect (at least) 100 cans to donate. Send in any canned good between Monday and Thursday. We will be building them into a tower on the Transformation Station wall by the Portico. In our class we are also going to be doing activities in class. Please send in 100 pieces of something on Thursday. This could be as simple as cereal, paper clips, pebbles, magnets, etc. Something that is around the house or easy to get. We will be using this for an activity in class.

Coming up... Jan. 27 @ 9AM- Strings Performance from WKU (Parents are welcome to attend!)
