

# Kindergarten News

I am so pleased with how many Kindergarteners are tying shoes! Perhaps we should design our own line of tennis shoes with ties for kids. We have had a GREAT week. Almost every day we have said that the time is flying by. Our blankets (in progress pictured below) turned out wonderfully and the kindergarteners were very pleased that they would be going to children who need them. We have read two versions of *The Mitten* in class and compared and contrasted them. Today we wrote our own Kindergarten version. Please take time to check it out! It is hanging in the hallway outside our classroom.

Please send in any permission slips for Jump Rope for heart. Or our permission slip for the Corvette Museum. Also note that all parents are welcome to come to the Valentine's Party on Tuesday.
