

# Kindergarten Weekly Gazette

Week of May 16<sup>th</sup> -20<sup>th</sup>

## FYI

We finished our 1<sup>st</sup> grade readiness test this week. I hope to have those graded over the weekend and can share the results with you next week. If you want to meet with me personally after school to discuss the test results, that would be fine, just let me know.

## Camping Unit

The last two weeks of school, we will be having a very fun camping unit. It will incorporate writing/reading skills, learning outdoor safety, and learning about camping!

## AR Tests on Thursdays!

We just have a few AR tests to take before we

go AR skating! Please encourage your child to keep up their good work!

## Spelling Words

We are not going to be having anymore spelling tests.

## Reading

For the next two weeks of school we will be skipping around in the last couple of reading units, doing different activities, stories, and worksheets. At this point, everything is a review.

## Math

We will finish up the year in math with subtraction and the test will be on Friday.

## Student of the Week

Our next student of the week will be Hailey. She will need to bring back her Student of the Week sheet on Monday and she can bring show-and-tell on Friday.

## Save the Date!

There are lots of fun events coming up this month.

**Friday, May 20<sup>th</sup>:**

**1:00 p.m.-**

**Kindergarten**

**Readers Tea: ALL parents/grandparents are invited to celebrate your child's reading success this year. Each child will read a book they selected and there will be a reception to follow. After the program, you may take your child home for the day.**

**LAST WEEK OF SCHOOL**

**MONDAY: Day camping trip.**

**Location will depend on the weather. But probably it will be outside at school.**

**TUESDAY: FIELD DAY-in the morning, until lunch. If you would like to volunteer, let me or Mrs. Upton know.**

**WEDNESDAY: Last chapel in the morning**

**and talent show in the afternoon at 2:00.**

**THURSDAY: May is bike safety month and we will have our second annual Bike Rodeo-please send your child's bike and helmet to school that day. That day will consist of a bike safety lesson, name plate craft for bikes, and biking through an obstacle course. We will set up an obstacle course on the parking lot.**

**FRIDAY: Last day of school and AR skating in the morning and awards at 1:30. When awards are finished, your child is dismissed.**

Have a great weekend!

Sincerely,

Christine Linhardt
