

This has been an interesting week...we did accomplish a lot. We began our look at the letter "L" and talked about Moses leading his people out of Egypt. We filled our "L" with Love and lions and lips. Myra found 37 'L's in our weekly newspaper contest. We also did a tornado drill in compliance with the national emergency drill....wow!

This newsletter will be short as I have been out for a minor surgery since Thursday. I am feeling okay, still sore but I plan on returning on Monday. We will be doing lots of Thanksgiving learning in the next week and I encourage you to attend the traveling reading night on Monday the 14th. It is going to be a great way to meet other students and their families, as well as getting into the Thanksgiving spirit.

We will be looking at the letter "T" all next week and our Bible story will be the preparation for God to send a Savior....the Bible verse is "God says call to me and I will answer." Yes....the prep for Christmas is about to begin. We have been practicing the music for our presentation on Dec. 11th and I apologize for not remembering to attach the words last week....

Please look over the High Flier for more information....

In His love
