

Mrs. Martin

WELCOME...

I want to welcome you and your child to my classroom. We have had a Great week talking about being kind to our friends. Our Bible verse... "Be kind to each other". 1 Thessalonians 5:15.... is a great way to start the year. We have talked about letters and shapes and numbers and will be continuing that next week.

READING...

We introduced several books this week "The Little Train That Could", "The Kissing Hand" and several ABC books" as well as the Bible story of Naaman and his healing. We encourage you to read daily to your child. Also look thru the Scholastic fliers that we have sent home. Go to www.scholastic.com/classhomepage to get started and GNDXZ is our code to help you get started and to help us receive FREE books for our classroom from your purchases.

DROP OFF AND PICK-UP...

As always, your child is our first priority and we require that all preschool children be signed in each morning. We thank you for your patience as we hand you the clipboards each day during drop off. PLEASE pull up to the portico doors (enter from Nashville Road), sign the clipboard and allow a 4th grade big buddy to walk your child to their classroom now that they are comfortable. We know some of you want to walk your children in and that can continue if needed. Children leaving at noon and 3:00 will be picked up at the portico doors. Extended care after 4:00 PM will be in the gym,

playground or in room #10 located just east of the Portico doors. If you need early morning care, (7am) please use the outside door of our preschool classroom...

We would like to invite you to come and share in our chapel time (8:30am) any Weds. If you can have your child in his/her HTLS shirt for chapel that would be great. (these are \$6 if you have not already paid). If you would like to have lunch with your child, please call the office and let them know...lunch is \$4 for adults.

THANKS

A big thank you for all the supplies you have brought for us....if you have not brought your sand, please leave it at the office and someone will bring it to us. Thanks for your work at selling at our Smart Cards too!

NEXT WEEK...

We will look at the story of David and Jonathan as we work on our friendships. We will be reading "The Rainbow Fish",

CONTACTS....

I just want to remind you that you can contact me any time at the school or through my email dmartin@htlc-bg.org if you have concerns for your child. The notes in the notebooks are so helpful and I appreciate those. I will do better at letting you know individual things as our schedule becomes more consistent!!

In God's wonder and love
Dianne Martin
