

## A Note From Mrs. Mitchell

*January 12, 2012*

*Dear Parents,*

*We had a great week in our room and back to our routines.*

*As the weather continues to change, please make sure to wear coats, hats and gloves if needed.*

Events coming up:

Monday- No school-Martin Luther King Day

Tuesday- Cooking and Creativity Club

*Our class will be taking a field trip on Tuesday, January 31, 2012 to Safety City located in Greenwood High School. This is a program designed for second graders and children ages 6-10. Students will have to know their home address, phone number and guardian's name to participate. We will practice in class and I'm sure you will at home too. We will be there from 8:30 to 1:00 that day and I will need several volunteers for the last couple hours of the day there. I will send home permission slip closer to the date.*

This week in our room we finished up our Social Studies unit on Our Working World and took a short test. Both grades finished a Math unit and took tests on their specific unit.

We are underway with AR, with goals set and some new incentives from Mrs. Andrews to work even harder for those goals.

*WE ARE STILL IN NEED OF CLOROX WIPES FOR OUR CLASSROOM. They are great to have and keep our room germ free as much as possible!!*

*Hope you all have a super long weekend and stay warm!!*

*Blessings,*

*Mrs. Mitchell*
