

A Note From Mrs. Mitchell

February 3, 2012

Dear Parents,

Hope you are enjoying the warm weather, as we have with some time outside today!! Our class had a great time at Safety City on Tuesday. I know they learned a ton and thoroughly enjoyed driving the cars.(I'm sure you have heard about that already) The next couple of months at Holy Trinity will be bring lots of activities, so hope you can be a part of them.

Events coming up this week:

Tuesday- Art Club 3-4 p.m.

Wednesday-American Girl Club 3-4 p.m.

Thursday- Science Club 3-4 p.m.

ChuckeCheese night 3-close

What's happening in room 112:

Reading- 1st and 2nd graders will continue reading their same stories from this week, along with the same spelling words and both working on using verbs in a sentence. We created some special stories today about someone special in our life. They will be on our bulletin board in the hallway. Come and take a look!

Math- 2nd graders took a Chapter test today on regrouping, estimating and problem solving. They all did great! We will start Chapter 6 on Monday on 2 digit subtraction.

1st graders will take a Chapter test on solid plane shapes, faces, corners and edges of shapes on Tuesday of next week.

Religion- We will read the stories Zacchaeus has a friend, A woman prays for her daughter, and Ten men with Leprosy. We always enjoy this time together reading stories from the bible and learning how to apply them to our daily lives!

Social Studies- We will finish our unit on We The People, and take a test Tuesday on vocabulary words that we have been discussing like, vote, government, tax, President and Congress. We each made a class flag and voted for our favorite. Paul's flag won and is hanging above our door. All the others are also displayed in the room!

Hope you have a relaxing weekend!

Blessings,

Mrs. Mitchell
