

A Note from Mrs. Mitchell

September 30, 2011

Dear Parents,

We enjoyed our field trip today to Lost River. It was a great way to conclude our Living/Non-living things Science unit. Please always remind your child about behaving their best on field trips because we are representing HTLS. Students that don't behave properly will not have the opportunity to go on future trips!!

The week of October 10- 14 is a very busy week returning, so I am going to let you know all that is going on.

Monday- *School Pictures. Make-ups will be on Tuesday.*

Tuesday *Art Club for those students who have signed up.*

Wednesday- *Our class along with Kindergarten will be going to The Garden Patch in Smith's Grove. This will be an educational guided tour of their farm. It should be a lot of fun! The cost is \$5.00. We will leave right after Chapel that day. Permission slip will come home Monday the 10th.*

Thursday- *We are going to Otte Golf for our AR reward. We will leave at 8:45. The cost is \$3.00. Permission slip will go home Monday.*

Friday- *Conferences all day; You should all know your time. If not, contact me. Hope you all have a great break!!!*

Blessings, Mrs. Mitchell
