### BECAUSE OF WINN-DIXIE

The first story in the 4<sup>th</sup> grade book will be very familiar to the students. It is a realistic fiction with characters and events that are like real life. Of course the students have already seen the movie. We will have a test on Friday.

## Math

We will be reviewing addition and subtraction for the entire week. On Friday, we will have a quiz over these concepts.

## Science

We will begin an Earth Science unit on *Rocks and Minerals*. There will be a lot of outside information that your student will keep in a folder at school. I will let you know well in advance of an upcoming test on this unit followed by a trip to Mammoth Cave.

## Social Studies

We are reviewing with Maps and Globes. I plan to continue reviewing the South East and the North East regions before moving on with 4 other regions in about two weeks. We will be memorizing ALL states and their capitals.

## Pre-School Buddies

We are using 4<sup>th</sup> and 5<sup>th</sup> graders again this year to help walk P3 and P4 students to their classrooms each morning at drop off. It did not work too well with assigning certain students last year, so I will just go with those that show up first. Thank you.
